

## Two Teachers Talking: Text Expander 30% Off Discount Code

Not the most straightforward procedure, but 30% is 30%:

1. First, click this link to start redeeming your discount:  
<https://app.textexpander.com/redemptionCode/NXBVBB2K7G>  
(or <https://smle.us/oottt> )
2. Sign in to your TextExpander.com account. Please create an account if you don't have one already.
3. Once signed in, open your organization's Billing tab.
  - a. Look in the upper right corner and choose My Account to find your organization listed, then click on it. If you don't have an organization you will need to create one, see below for more details.
  - b. Open the Billing tab.
4. From the Billing tab make sure your redemption code has been accepted. If not, enter the code in the Redemption Code field: **NXBVBB2K7G**

**If you have not set up an organization, you can do so now.**

1. Open My Account to the Organizations tab, and click "Create An Organization."
2. A name is all you need to get started, your company name is fine.
3. Then click on the newly create organization to get to the billing tab and follow step 4 above. You can find more details on creating an organization in our Help: <https://textexpander.com/help/desktop/sharegroups.html#orgsetup>
